STUDENTS USING MOBILE PHONES POLICY

1. PURPOSE

To explain to our school community the Department's and Surfside Primary School's policy requirements and expectations relating to students using mobile phones and use of phone related apps on student i-Pads during school hours.

2. SCOPE

This policy applies to all students at Surfside Primary School and students' personal mobile phones brought onto school premises during school hours, including recess and lunchtime.

3. DEFINITIONS

For the purpose of this policy, "mobile phone" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches and apps on student i-Pads such as text message and i-Message.

4. IMPLEMENTATION

Surfside Primary School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Surfside Primary School:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.
- Students at Surfside Primary school are not permitted to use their i-Pad to message, text or contact parents during school hours.
- Personal mobile phones are not permitted to be brought to camps, excursions, special activities and events.

4.1 Personal mobile phone use

In accordance with the Department's [Mobile Phones Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Surfside Primary School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

4.2 Secure storage

Mobile phones owned by students at Surfside Primary School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are

Where students bring a mobile phone to school, Surfside Primary School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Surfside Primary School students are required to hand their phones into the school administration office to be placed in a lockable cupboard.
