POLICY

1. School profile

Surfside Primary School is a medium to large sized school funded at 542 students (46.9% female and 52.8% male). The school has been in operation since 1993. It is located in a residential area 2 km north/east of the central business district of the seaside resort of Ocean Grove, 28 kilometres from the provincial city of Geelong, on Victoria's Bellarine Peninsula and has seen considerable growth over the last 5 years due to new housing developments becoming available within that time and relocations to the Bellarine and therefore has seen a growth in student population throughout this time.

Our school grounds are large and are predominately natural with a central garden and a high number of trees and natural spaces. We are surrounded by a supportive community. Most students that attend our school live locally and tend to walk or ride their bike to school. Surfside Primary School has developed close ties to the local community, and enjoys support from our local community and services.

Our Vision is 'to inspire students to be creative, innovative and emotionally equipped to thrive' while our Mission is to 'cultivate a caring and inclusive environment in which students flourish' and is supported by our school Values of 'Respect, Honesty, Teamwork and Achievement'. This is evident in all classrooms and is the basis of our Starting Right program.

Our demographic is 0.9% of students who identify as Aboriginal and/or Torres Strait Islander, 7.4% of students are from a non-English speaking background, 0.4% have a diagnosed disability and 1.9% identified as being at risk. The school student and family occupation and education index is low at 0.2142

2. School values, philosophy and vision

Surfside Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of respect, integrity and kindness at every opportunity.

Surfside Primary School's vision is to inspire our students to be creative, innovative and emotionally equipped to thrive.

Our Statement of Values Policy is available on our school website.

3. Wellbeing and engagement strategies

Surfside Primary School has developed a range of strategies to promote engagement, an inclusive and safe environment, positive behaviour, and respectful relationships for all students in our school.
